Construction Advisory

Ashley Elementary School Room 205 & 205A Remodel Construction Update #3 – August 1, 2017

Completion: Summer 2017

Bike and pedestrian access	No change
Deliveries	Unaffected
Utility disruption	Small chance of localized power outages in Rooms 205 and 205A
Noise	<p>Outside: Some delivery vehicles, regular loading/unloading of material.</p> <p>Inside: Classrooms will have demo work done – minimal sound impact, mainly during demolition</p>
Smells	Slight odor from low VOC paints and carpets. Rooms are exhausted to the outside where possible.
Evacuation routes	No Change
Daily routine/internal traffic patterns (lunch, recess, etc.)	Door 8, stairwell 5 is proposed to be used for construction access and demo removal of material.
