Construction Advisory

Ashley Elementary School Room 205 & 205A Remodel Construction Update #1 – June 9, 2017

Completion: Summer 2017

Deliveries	Unaffected
Utility disruption	Small chance of localized power outages in rooms 205 and 205A
Noise	Outside: Some delivery vehicles, regular loading/unloading of material. Inside: Classrooms will have work done – minimal sound impact, mainly during demolition.
Smells	Slight odor from low VOC paints and carpets. Rooms are exhausted to the outside where possible.
Evacuation routes	No Change
Daily routine/internal traffic patterns (lunch, recess, etc.)	Door 8, stairwell 5 will be used for Construction access and demo removal of material.
